

▪ † **Announcement: Call for the First International Student Conference on Agriculture, Food Sciences, and Veterinary Medicine**

University of Prishtina “Hasan Prishtina”, Faculty of Agriculture and Veterinary with the support Kosovo United States Alumni (KUSA) grant number USGP2023/24GR2 organizes **First International Student Conference on Agriculture, Food Sciences, and Veterinary Medicine**, which will take place **on July 12, 2024**. This conference aims to bring together students from around the world to share their knowledge, experience, and research in these vital fields.

Conference Highlights:

- **Keynote Speakers:** We have invited renowned experts in the fields of Agriculture, Food Sciences, and Veterinary Medicine to deliver keynote speeches and share their insights.
- **Panel Discussions:** Engage in stimulating discussions on the latest trends and challenges in these fields.
- **Networking Opportunities:** Connect with peers and experts from around the world.

This conference is free of charge!!!

This project was funded in whole by a grant from the U.S. Embassy in Pristina. The opinions, findings, and conclusions stated herein are those of the author[s] and do not necessarily reflect those of the U.S. Embassy in Pristina.

Registration

To register for the conference, please submit your abstract via email to [fsav.conference@uni-pr.edu] and indicate whether you wish to participate with an oral or poster presentation.

Conference Topics

We invite participants to submit their work related to the "One Health" theme, emphasizing the interconnectedness of human, animal, and environmental health. Suggested topics include, but are not limited to:

Agriculture

1. Sustainable Agriculture Practices:
2. Agroecology and Biodiversity:
3. Agricultural Biotechnology:
4. Climate Change and Agriculture:

Food Sciences

1. Food Safety and Quality:
2. Nutrition and Public Health:
3. Food Security and Policy:
4. Sustainable Food Systems:

Veterinary Medicine

1. Zoonotic Diseases:
2. Animal Welfare and Ethics:
3. Veterinary Public Health:
4. Advances in Veterinary Diagnostics and Treatment:

One Health

1. Interdisciplinary Research in One Health:
2. Environmental Health and Ecosystem Services:
3. Antimicrobial Resistance:
4. Global Health and Disease Surveillance

We encourage submissions that highlight innovative research, case studies, and best practices within these topics. By exploring these areas, we aim to foster interdisciplinary collaboration and promote the One Health approach to solving complex health challenges.

Guidelines for Preparation and Submission of Abstracts

We are pleased to announce the call for abstracts for the First International Conference on Agriculture, Food Sciences, and Veterinary Medicine. We welcome submissions from researchers, academicians, practitioners, and students in these fields. Please adhere to the following guidelines for preparing and submitting your abstract:

1. Encouragement for Unpublished Results: We strongly encourage the submission of abstracts describing unpublished results. This is an excellent opportunity to present your novel findings to a diverse audience.

2. Submission Method: Abstracts (oral/poster presentation) should be submitted via email to [fsav.conference@uni-pr.edu]

3. Language and Formatting: All abstracts must be written and presented in English using US English spelling. Accepted file formats for submission are .doc, .docx, or .pdf.

4. Abstract Length: The main text of the abstract should not exceed 350 words.

5. Content Structure: Your abstract should include the following sections:

- Title: A concise title that clearly indicates the topic of the research.
- Authors: Full names of all authors, with the presenting author underlined.
- Affiliations: Affiliations of all authors.
- Introduction: A brief introduction to the topic and objectives of the research.
- Methods: A summary of the methods used in the research.
- Results: Key findings of the research.
- Conclusion: Implications of the findings and any future research directions.

Abstract template.....

6. Registration Requirement: All presenting authors must register for the conference.

7. Review Process: All submitted abstracts will undergo a peer-review process. Notification of acceptance will be sent via email.

8. Submission Deadline: - The deadline for abstract submission is **[30.06.2024]**. Late submissions will not be accepted.
